

Redmond Region Orchestra Boosters
Friends of the Orchestra

Thank you for your support!

The Redmond Region Orchestra Boosters (RROB) was founded in 2009 by a group of parents who wanted to give extra support to the rapidly growing orchestra programs in the Redmond area. Over the last seven years they have earned the Redmond area a Guinness Book World Record for the largest group of string instrument performers (violin, viola, cello, bass) playing together at the same time under one roof, taken students to perform at Carnegie Hall in New York three times, arranged groups to perform at Disneyland and participate in their backstage workshops, and continued to promote and grow the orchestra programs.

Your donation is tax deductible and enables RROB to provide many enriching opportunities for Redmond Orchestra students. These include support of the school orchestra programs throughout the year, awarding of college scholarships to RHS Orchestra students, providing opportunities for our students to attend various festivals, and maintaining school-owned instruments. Your support is greatly appreciated and goes a long way to making these opportunities possible for our Redmond Orchestra students.
